

Thank-you page

A separate form appended to the WooCommerce thank-you page — typically a newsletter signup in exchange for a coupon. Configured under *Settings* → *ELMO Forms*.

Option	Default
elmo_forms_thankyou_uuid	empty — without it the section will not appear
elmo_forms_thankyou_title	"Dolacz do newslettera!"
elmo_forms_thankyou_subtitle	"Odbierz kupon rabatowy na nastepne zakupy."

Title and subtitle override whatever comes from ELMO.
